### ABOUT ME

An aspiring Web Developer practicing full-stack web development. I am passionate about learning programming languages and improving my skills as a developer. Proficient in HTML, CSS, JavaScript, ReactJS, and MySQL. Able to effectively self-manage in projects as well as collaborate in a team setting.

### EDUCATION

#### **Full-stack Web Development Bootcamp**

**KodeGo 2022**

- Finished the 12-week curriculum with 3 major projects.
- Learned front-end and back-end web development skills.

#### **BS Industrial Engineering**

**De La Salle Lipa 2012 - 2017**

- Certified Industrial Engineer

### EXPERIENCE

#### **Associate Software Engineer**

**Accenture Inc 2021 - 2022**

- Integrated clients' APIs through Oracle Cloud Integrations.
- Helped launch websites designed to help customers apply for the client's web services.
- Assisted in writing Technical Documents for clients' websites.

#### **Production Engineer**

**Citizen Finedevice Philippines Inc. 2019- 2020**

- Developed standards and work instructions based on calculated analysis.
- Formulate cost-saving methods through indirect material reduction and manpower scheduling.
- Saved costs by reducing unnecessary purchases and efficient order scheduling.
